How to Hire a Container?

Step 1: Select the type of container you require

Step 2: Request a quotation – A quotation will consist of the pre-delivery costs, which are, Deposit, 1st Month Rental, Delivery & Collection costs
Online Application is available on www.storagewise.co.za

Step 3: Complete Lease Agreement – This is a contract between yourself & Storage WISE. Our Lease Agreements operate on a MONTH to MONTH basis, with 1 Calendar Months' Notice required to terminate.

Step 4: Approval & Invoice – We will process the Lease Agreement, and if approved, issue a Tax Invoice for payment

Step 5: Make the Payment – On receipt of the invoice, make an EFT to our account. Once payment reflects in our bank account, we will commence with the delivery process (3 working days)

Step 6: Monthly Rental – The monthly rental will be deducted via debit order, from the second month, until the lease agreement is terminated. During the notice period, the debit order will be deactivated.

Step 7: Deposit Refund – The returned container is inspected and checked for damage. Once complete, your account will be reconciled, and any outstanding amounts deducted. The deposit will then be refunded, within approximately 14 days, into the account provided for the debit order
